**THE STORYVILLE STOMPERS WOULD LIKE TO
THANK THE THREADHEAD CULTURAL FOUNDATION
FOR THEIR HELP AND SUPPORT IN MAKING THIS
RECORD**

In 1977 the Olympia Brass Band, our mentors and role models, made a record called, “In A Gospel Mood.” It is the inspiration for doing this record. Rickie Monie, who was a member of the Olympia played organ on that record and we are blessed to have him play on this record.

We are also truly blessed to have the sister vocal team of Yolanda and KiKi, daughters of the great Topsy Chapman singing on this record.

HUGE GRATITUDE to Trombone Shorty for the use of his amazing BuckJump Recording studios to record this album.
